Participating Hospitals - more choice

A vital part of any Private Health Insurance scheme is the available medical facilities, in which treatment may be given. With General & Medical, whichever level of cover you choose, you'll have access to over 750 of some of the best private hospitals and medical facilities throughout the UK. Find your nearest hospital by viewing our Hospital Finder at www.generalandmedical.com/hospitals

Hospital Choices

At General & Medical we have one of the largest selections of hospitals and medical facilities compared to any UK health insurer. We call these our Participating Hospitals and they include the majority of the leading national private hospital groups and the NHS private patient units, giving you access to the most modern facilities available in the UK.

Most of our Participating Hospitals provide a single private room with en-suite facilities for in-patient accommodation, together with a choice of menus, flexible visiting times and other facilities consistent with a modern private facility. This gives you timely access, privacy and the dedicated care and comfort you deserve.

The cost of treatment between different facilities can vary enormously, so we have grouped our Participating Hospitals to give you three levels of choice. In this way, we are able to reflect the lower cost of treatment at certain facilities by reducing premiums according to the hospitals you choose.

First Choice

Our First Choice Hospitals are a select group of over 300 private hospitals and clinics at locations throughout the UK, with whom General & Medical have close association. These include Spire Healthcare, Ramsay Healthcare, BMI and Nuffield facilities. Those who choose our First Choice Hospitals benefit from our lowest premiums.

Freedom

Freedom Hospitals include all First Choice facilities and give members access to an additional 400 facilities throughout the UK, which are mainly NHS hospitals with private facilities attached.

Premium

Premium Hospitals are specialist facilities, normally found in London, that due to their reputation and location are able to charge substantially more for their medical services. You can include Premium Hospitals for an additional premium.

For full details of our hospital list, please ask for our Participating Hospitals brochure or please visit:

www.generalandmedical.com/hospitals

Ways to Reduce your Premiums

If reducing your premiums would help you to meet your budget, you can of course, choose a lower level of cover, for example by choosing Everyday instead of Everyday Plus or by restricting your hospital choice to First Choice only. You can also significantly reduce your premiums by adding an excess to your policy.

Policy Excess

An excess is an amount agreed in advance that you or each person on your policy pays towards the cost of a claim. For example, if you choose a £250 excess per claim and your treatment for one eligible claim costs £5,000, you would pay the first £250 and we would pay the rest.

You can add an excess of £75, £100, £150, £200, £250, £500, £1000, £2000 or £3000. At the start of the policy, you choose whether the excess applies once per policy year or to each claim.

If you choose an excess per policy year and your treatment for an eligible claim carries on into the next policy year, another excess will apply.

Remember - the higher the excess, the lower your premium. For example, even an excess of £250 per claim could reduce your premium by over 20%!

The important thing is to choose a level of excess that you can comfortably afford.

Available Modules, Options and Upgrades

The following options are available on all of our policies. Premiums may increase or reduce, depending to the option chosen:

Hospital choices

First Choice, Freedom and Premium Hospital lists are available options throughout our ranges.

Excess Options

Excess options of between £75 and £3,000 are available throughout our ranges and can be chosen to apply once per membership year or to each claim.

The following optional upgrades to cover are available for an additional premium:

Cover for pre-existing conditions

Cover for up two pre-existing conditions, chosen at outset from the following list of defined conditions:

- Acne
- Arthritis
- Asthma
- Carpal Tunnel Syndrome
- Crohn's Disease
- Diabetes
- Eczema
- Fibrocystic Breast Disease
- Gastro-Oesophageal Reflux Disease
- Glaucoma
- Hypertension
- Psoriasis
- Ulcerative Colitis
- Varicose Veins

Cover is subject to an annual limit of £1,000 per condition, rolling up to £10,000 after 10 continuous years membership with no related claims. Any child selected for the pre-existing condition upgrade will be charged at our full child rate plus the upgrade supplement.

In-patient Psychiatric Treatment

This option gives members cover for both in-patient and day-patient treatment if they are diagnosed with a psychiatric condition, up to a maximum limit of 28 days per membership year, which includes 14 days on a 25% co-share basis. A 12 month qualifying period may apply and full terms and conditions are given in 'the Guide to your Health Scheme'. Not available with Essentials or Everyday.

Channel Islands Cover

If you reside in the Channel Islands you can choose this upgrade specifically designed to offer additional benefit to supplement the treatment available to you.

For an additional premium we will cover the services provided by your Channel Islands G.P, including prescription costs, consultations and routine minor surgery. Cover is available for return travel costs to another Bailiwick or the UK, where you require medical treatment unavailable in the Bailiwick of your residency. The cover will also provide benefit for travel and accommodation costs for parents or a qualified nurse accompanying a child for treatment. Benefit limits will be shown in your Certificate of Cover if you have selected this upgrade.

- Annually by direct debit, debit/credit card, BACS or cheque

Does it cost more to pay monthly?

No. Unlike some other insurance companies General & Medical do not charge their clients extra, or any form of interest, to pay their premiums monthly. This is one more reason to choose General & Medical.

Are there any age limits?

You may join a General & Medical scheme as an individual from the age of 16 up to your 75th birthday. Once covered there is no upper age limit.

Children under the age of 16 must be added to an adults policy. Children are classed as a child up to their 21st birthday, or their 26th birthday if they remain in full time education. Proof of full time education must be provided.

Will my premium go up at renewal?

We review your premiums annually to reflect the overall cost of claims and medical inflation. Our schemes are priced using age bands, reflecting that people are more likely to claim as they get older. This means that you could see an age-related increase in your premium in addition to our general review.

Your premium can be influenced by other factors such as the availability of new treatments, medical technologies and any claims made on your scheme.

How do I make a claim on my Private Health Insurance policy?

You should contact your Health & Care Support Specialist before you see your consultant so that we can confirm your cover. Your Health & Care Support Specialist will be able to guide you through the process of claiming and let you know what is and is not covered. The full claims procedure is detailed in 'the Guide to your Health Scheme'.

How do I make a claim on my Non-UK Travel Medical Policy?

To make a claim for emergency medical treatment whilst outside the UK please use the telephone numbers provided within your Certificate of Cover.

How do I make a claim on my Multi-Trip Travel Policy?

To make a claim for Multi-Trip Travel please use the telephone numbers provided within your Certificate of Cover.

Can I cancel my policy?

You may cancel your policy by telephoning us, by email or in writing (see contact us for details).

You may cancel your policy during the 14 day cooling off period. This period commences on the day your cover starts or when you receive your policy documentation, whichever is the later. We will refund any premium paid at the date of cancellation, providing you have not used any of the services available on your cover and no claims have been made.

If you decide to cancel your cover before your renewal date and outside of the cooling off period, providing you have not used any of the services available on your cover or attempted to make any claims you can do this by giving us at least 30 days notice before the date on which you want your cover to cease. If you have incurred any claims costs, attempted to make a claim, used any of the services provided by your cover, or an incident has occurred which has led to a claim, or may yet lead to a claim against your policy, we will require you to pay any remaining unpaid balance of the full annual premium as shown on your most recent Certificate of Cover document. You will receive written confirmation from us that your cover has ceased and your cover will not continue beyond your cancellation date.

If you wish to cancel your cover at your renewal date you should tell us as soon as possible before your renewal date. Your cover will cease the day immediately prior to your policy renewal date. A 14 day cooling off period also applies at renewal, commencement of which is from your renewal date.

Reasonable and Customary Charges

We look to contain claims costs wherever possible, to minimize the impact on your premiums. Medical diagnostics, technology and equipment are becoming more advanced day by day, and so more claims are being made each year. We aim to manage the costs arising from these claims according to a frequently reviewed fee schedule. We believe this schedule reflects reasonable and customary rates of remuneration for the procedures listed. The schedule shows the maximum amount payable towards each procedure. These fee schedules are issued to all affiliated medical specialists.

What do I do if I have a complaint?

To avoid misunderstandings, you must read the information supplied when taking out your cover. If you are unsure about any aspect of cover, you should contact your personal Health & Care Support Specialist. We're here to help.

We are committed to providing a high level of service to all our clients but occasionally things can go wrong. If this happens, we will do what we can to put things right.

Underwriting Options

Our Private Health Insurance schemes are designed to cover new and unexpected medical conditions. We offer a choice of underwriting options as described below. Please take your time to read about the options as this is important information you will need to know.

Full Medical Underwriting

This means we ask medical declaration questions about past health. Any pre-existing conditions and related conditions will be excluded unless we agree to accept them. These exclusions will be shown on your Certificate of Cover.

Moratorium

For Moratorium underwriting, we do not need a medical declaration completed. Instead, we will not cover treatment of any pre-existing condition or any related conditions if there have been symptoms (even if a medical opinion has not been sought), medication, treatment, diagnostic tests or advice relating to that condition or any related condition in the 60 month period prior to the member joining the scheme. However, we may agree to cover a pre-existing condition or related condition providing the condition or any related condition does not remain present, including in remission and only if there have been no symptoms, medication, diagnostic tests, treatment or advice for such conditions during a continuous 24 month period after joining the scheme.

Continued Moratorium

You can apply on this basis if you are transferring from an existing scheme, which is underwritten on a Moratorium basis. We apply our Moratorium conditions as above with effect from the commencement date of the scheme from which you are transferring.

Continued Personal Medical Exclusions

You can apply on this basis if you are transferring from an existing fully medically underwritten insurance scheme. We will apply the same personal medical exclusions to your cover with us that were applied to your previous scheme.

Continued Underwriting Options

For all continued underwriting options proof of previous insured terms will be required and you may need to state whether anyone on the scheme has suffered from cancer, heart, psychiatric or orthopaedic joint conditions in the past, depending on the size of the scheme as additional terms may apply.

Medical Records

A copy of your medical history or a medical report may be requested at the start of any claim. Failure to provide the medical history of the claimant could result in the claim and any future claims being declined.

Distribution of Information to Family Members

The Policyholder must distribute to each family member on joining the scheme, the member letters (including any inserts) summarising the scheme, his/her policy schedule (if applicable) and any subsequent member literature we send to the Policyholder, without delay.

Service Levels - our service promise

This service promise outlines the minimum level of service General & Medical clients should expect to receive.

Customer Service

On joining a General & Medical Healthcare scheme you will be assigned a named Health & Care Support Specialist. All of our Health & Care Support Specialists have to undergo comprehensive training in medical claims handling. Your Health & Care Support Specialist will provide ongoing personal assistance, with any aspect of membership.

Communication & Documentation

Confirmation of cover will be provided within 2 working days of acceptance of quote.

Full policy documentation will be sent within 7 working days of receipt of all correctly completed paperwork.

Written correspondence will be acknowledged within 2 working days of receipt.

Renewal details will be issued at least 21 days before the expiry date of the cover.

Claims Management

Claim forms will be dispatched the same working day if they are requested before 2:30pm. When a claim is finalised, a payment will be issued to the provider of medical services at the end of the relevant month. When a member has paid a provider direct, a payment will be issued as reimbursement, within 5 working days of us receiving the relevant invoices from the member.

If for reasons within our control, we fail to comply with this timescale we will compensate our client at an annualised rate of 1% gross over bank base rate for the amount of the authorised reimbursement for every day's delay over our standard terms.

Client Satisfaction

Client satisfaction is vital to us, so we continually review client satisfaction against:

- ✔ Speed and quality of communication.
- ✔ Level of and geographical convenience of medical facilities.
- ✔ Effectiveness of personnel dedicated to claims assistance.
