

## Optical Express – 10% Discount Terms

1. General & Medical Finance Ltd have organised a 10% discount off lenses & glasses plus select laser eye surgery at Optical Express ([www.opticalexpress.co.uk](http://www.opticalexpress.co.uk)) for existing G&M customers and new G&M policy holders ('you').
2. Anyone who takes out a private health insurance policy across our whole range of products will receive a promotional code that will entitle the policy holder to a 10% discount off;
  - Lenses and frames, including prescription sunglasses.
  - Laser Vision Correction Surgery (*Minimum price of £3000 net of discount for laser eye surgery required for discount to be applied*)
  - Cataract/Lens Replacement Surgery (*Minimum price of £5000 net of discount for IOL surgery required for discount to be applied and only applies to bilateral surgery*).
  - *Corrective eye surgery discounts exclude Phakic procedures and unilateral IOL*
3. The promotional code will be sent via email to the policy holder 30 days after their private health insurance policy starts and will appear on their certificate of cover. It will also be available in their secure area.
4. The 10% discount only applies to the policy holder
5. Any product or service you buy at Optical Express will be subject to their Terms and Conditions.
6. The relationship and contract will be solely between the policy holder and Optical Express
7. General & Medical is not responsible for the discount and for dealing with any claims or any other issues arising out of, or in connection with the contract between you and Optical Express.
8. General & Medical are not liable for any personal injury or death associated with the Optical Express Discount
9. The offer cannot be used in conjunction with Optical Benefit where it is included within your health insurance level on cover.
10. General & Medical reserves the right to end or amend the promotion without warning at any time.
11. The discount can only be redeemed in-store and will not work with online purchases.
12. The vision test will be free with any purchase glasses.
13. The refractive consultation for any type of vision correction surgery is free of charge.
