

Job Profile: Content Writer

£25,000 Full Time Salary

Established Company looking to bring a Content Writer into our Marketing team with experience in creating content, professional writing and editing skills, as well as possessing a passion for driving and retaining in a B2B environment. The position will require the development of high quality content including site content, blog articles, social, video, email content and more. You will produce engaging and innovative content, and help develop and manage a content marketing strategy that supports organisational goals around brand awareness, traffic growth and customer acquisition and retention. This rewarding and influential position is office-based and will add real value to the Company effort.

Main Responsibilities of the Role

jobs@generalandmedical.com

- Support all content marketing initiatives to drive traffic, engagements and leads that deliver sales and customer retention.
- Collaborates across functions to deliver an effective content marketing strategy and editorial plan to meet the business objectives.
- This role requires a brand publisher mind-set: create the content our audience is looking for and then optimise the path to conversion.
- Editorial requirements include SEO optimisation, content categorisation and structure, content development, distribution and measurement.
- Development of editorial governance so content is consistent with brand voice, style and tone.
- Editorial calendar and organisation workflows must be developed and managed.
- Producing and distributing editorial and press releases to industry specific magazines and blogs.
- Channel management of digital content hubs and all supporting social channels including email / newsletter distribution. This person must understand the basic best practices of the main social media channels, which content and approaches work on each and why.
- Measurement and optimisation of the program will be required on a regular and ongoing basis.
- Development and management of all content processes.
- Integration of content marketing plans with brand campaigns to drive brand to demand.
