

Job Description: Healthcare Contracts Manager

Negotiable Full Time Salary

An exciting full time opportunity as this well-established Health Insurance provider looks to fill a key senior role within our Head Office in Peterborough. You will need excellent communication skills, working within a financially regulated and professional environment, demonstrating influence across all departments with a focus on our business relationships with healthcare providers and the associated costs. We look to you to build an understanding of our future Company needs, applying your knowledge and experience to drive and establish contractual efficiencies, demonstrating the desire to succeed and the flexibility to overcome challenges.

Main Responsibilities of the Role

jobs@generalandmedical.com

- Apply leadership and management within the sector of healthcare contracts, including the negotiation and management of costs.
- Ensure that procedures are accurate and in line with the FCA guidelines and reflect best business practice, ensuring that changes are effectively communicated.
- Effectively manage appointments and represent the Company professionally in order to develop and influence external business relationships with medical service providers.
- Production and interpretation of regular reports to support the business objectives and appropriate decision-making, identifying opportunities for innovation.
- Support the development and management of products and services offered by the Company.
- Drive towards continuous improvement in performance and processes.
- Liaison with the Company Claims Manager to resolve service invoice queries.
- Guide and assist in the development of support and services offered through the company's Medical Advisory Panel.
- Remain abreast of industry changes to co-ordinate, prioritise and manage relevant projects and developments in order to support business activities.

Your Qualities:

- Experience working within a contractual environment, healthcare sector would be beneficial.
- Strong commercial awareness.
- Proven leadership skills with the ability to persuade and influence at all levels.
- Strong problem solving and analytical skills, with a results focused approach.
- Well-developed communication skills and an excellent team player.

Personal performance, conduct and Development

Meet targets and take responsibility for own performance:

Remain abreast of current processes and services offered by the company and be aware of changes to legislation by the Financial Conduct Authority (FCA). Cascade any information / changes in legislation to work colleagues.

Work in Accordance with the company policies and procedures:

Be aware of and adhere to Company policies and procedures. Work in a way that meets the statutory requirements of employees under legislation.

Flexibility and Team Work:

Work flexibly as part of a team to meet the needs of the customers of the Company. Value each team member's contribution and help colleagues to perform to the best of their abilities.

Professionalism:

Set a good example to other staff in attitude to work and general working practice. Deal with all colleagues and customers in a professional manner. Maintain a professional working relationship with direct reports in order that there is no issue in dealing with any unacceptable performance and/or conduct.
